10) The Muni Council propose to pay a sum of Rs 2,000/- towards repayment of loan (presumably including interest) while the DC recommends the loan may be made repayable in 15 instalments what the instalment payable including interest, for 15 years, is not clear and it is for orders whether this information may be obtained from the Comptroller

Be noted

11) Points for orders:-

1) Sanction to the estimate for Rs 66,246/- for the drainage scheme in Channarayapatna municipality

2) Meeting the cost of the estimate by the Govt of the Mty in the proportion of 2/3 & 1/3 respectively

3) Advancing a loan of Rs 22,000 to the Mty to meet their share of the cost, the same being repayable in 15 equal annual instalments with interest at 4% p.a

(v) the exact period during which the Municipal repay the loan & the rate of interest are not stated in the resolution the Council request that instalments with interest is overdue & the income from Municipal

(vi) This is a matter which the Govt can in regard to the period of repayment may be accepted, the usual rate of interest being 4% Municipal will appear to have necessity to consult the Municipal in the matter

(vii) Steps taken from the newspapers that the Municipal will be visiting Thiruvannamalai in connection with the buying of land for the combined hospital at that place.

(viii) This is a matter which whose financial condition is not satisfactory Steps have to be taken also (vide the report accompanying the estimate).

(ix) Steps therefore necessary to sanction the scheme in its entirety, the first meeting 2/3 of the cost & a loan being given to the Municipal to meet the remaining 1/3 of the cost

(x) This is also a Council matter

(xi) The financial effect may be examined

Re the drainage Scheme to Chennarayapatna Minor Municipality

I have the honour to state that the Sanitary Engineer, Bangalore has sent a plan and estimate amounting to Rs 66,226/- for comprehensive drainage scheme in Chennarayapatna Municipality The details and necessity of this scheme are explained in the report accompanying the estimate The Municipal Council have resolved at their meeting held on 6-6-1948 to contribute 1/3 of the estimated cost and to request Government to meet the remaining cost out of Town Improvement grant They have further resolved to take a loan of Rs 22,000/- from Government to enable them to meet 1/3rd cost of the estimate towards their share Chennarayapatna is a Minor Municipality having limited sources of income The normal income and expenditure of this Municipality for the current year 1948-49 is Rs 19,801/- and Rs 20,365/- respectively with a closing balance of Rs 11,741/- This balance might be required to meet the cost of other works to be proposed such as cost of acquisition and improvement of roads etc The Municipality is not in a position to contribute large amount for such important schemes and they are therefore in need of Government help to complete such schemes They have agreed to repay the loan in annual instalments of Rs 2,000/-

In the above circumstances I request that sanction of Government may kindly be obtained for the execution of the drainage scheme at an estimated cost of Rs 66,226/- with a grant of Rs.44,000/- being 2/3 of the total cost out of Town Improvement grants and to a loan of Rs.22,000/- to the Municipality to enable them to provide their share of the cost The loan may be ordered to be repaid in 15 annual instalments including interest

A copy of the resolution of the Municipal Council together with plan and estimate is enclosed
